

MARLBOROUGH PINOT GRIS 2018

Why Summerhouse? Life can be busy and it's important that we take a few moments to relax. Summerhouse wines are made for those moments, to be enjoyed at the end of the day or on the weekend. Share it with family and friends, or not!

***Fleshy, ripe citrus and stone fruit flavours
with a generous, lingering, finish***

Our Place: A stunning place to live and a fantastic place to make delicious wines. Our climate is not too hot, not too cold and we're surrounded by beautiful rivers, mountains and the pristine South Pacific Ocean. It inspires us to make pure, fresh wines for you to enjoy.

You'll get Aromas of Turkish delight, fresh roses, honey suckle, and ripe stone fruit. Tropical fruit and nectarine flavours lead into rich textural complexities and a ginger bread spice. The wine finishes with a luscious and lingering acidity.

Hungry too? Go with a selection of Tapas or a Vietnamese Chicken Salad.

Awards & Reviews:

93 Points & 5 Stars, Sam Kim Reviews, Aug 2018

"Wonderfully fruited and succulent, this comforting pinot gris shows lifted aromas of white flesh stone fruit, fresh pear, floral and subtle spice on the nose, leading to a beautifully rounded palate that is smooth and refreshing. It is filled with attractive flavours and offers fabulous drinking".

18/20 & 4 Stars, Raymond Chan Reviews, Aug 2018

"Brilliant pale straw-yellow with some depth and lemon hues, light on the rim. The nose is fresh with a good, soft, rounded core of bright white and yellow stonefruits along with exotic florals, and nuances of honeysuckle and minerals. Off-dry to taste and medium-bodied, the palate has an elegant heart of white and yellow stonefruits with floral detail and delicate layers of honeysuckle and hints of minerals. The flavours are balanced and harmonious. The fruit flows along a fresh, finely-textured line with background acidity carrying the wine to an elegant finish. This is an elegant off-dry Pinot Gris with stonefruit, floral, honey and mineral flavours and a soft-textured line".
