

## MARLBOROUGH SAUVIGNON BLANC 2018

**Why Summerhouse?** Life can be busy and it's important that we take a few moments to relax. Summerhouse wines are made for those moments, to be enjoyed at the end of the day or on the weekend. Share it with family and friends, or not!

***Fresh, pure fruit flavours and  
a crisp, mouth-watering finish!***

**Our Place:** A stunning place to live and a fantastic place to make delicious wines. Our climate is not too hot, not too cold and we're surrounded by beautiful rivers, mountains and the pristine South Pacific Ocean. It inspires us to make pure, fresh wines for you to enjoy.

**You'll get** lifted passionfruit, guava, orange blossom and blackcurrant leaf aromas. The palate is full of juicy ripe tropical fruit flavours leading into a soft and approachable acidity with moreish minerality.

**Hungry too?** Go with a Grilled Chicken Burger or a Caesar Salad.

### Awards & Reviews:

#### 93 Points & 5 Stars, Sam Kim Reviews

*Intensely fruited and beautifully lifted, the bouquet shows passionfruit, green rockmelon, kaffir lime and lemon peel characters, leading to a vibrant palate that is filled with delicious flavours. It is punchy and lively with fine texture and refreshing acidity, finishing persistent and tasty.*

#### 18/20 & 4 Stars, Raymond Chan Reviews

*"Bright, pale straw-yellow colour, near colourless on the rim. The nose is softly full and voluminous with fresh aromas of pungent passionfruit and tropical fruit harmoniously integrated with notes of fresh herbs and snow peas. This has a near-ethereal expression. Dry to taste and medium-bodied, the palate is fresh and bright with good depth and soft concentration, showing gentle layers of passionfruit, tropical fruits and herbs. The mouthfeel is rounded with a soft, smooth, near-slippery line and background, refreshing, lacy acidity. The flavours carry to an elegant, soft finish. This is a softly concentrated, rounded Sauvignon Blanc with passionfruit, tropical fruit and fresh herb flavours on a smooth-flowing palate".*

### Wine Analysis:

13.5% alc.      3.2 g/L r/s      3.53 pH      6.6 T/A
